

Year 2 Curriculum Map

Mathematics

Strategies to develop mental maths and problem solving is ongoing

Michaelmas

Place value, addition and subtraction, odd and even numbers, doubling and halving, 2D shapes

Lent

Multiplication and division, length, mass, time

Summer

Money, fractions, data handling

Geography

Michaelmas

Continents and Oceans
United Kingdom
Global Location

Lent

Australia

Summer

Map skills
The Seaside

Computing

Michaelmas

- Algorithms
- Programming

Lent

- ICT Outside the Classroom
- Using iPads to manipulate media

Summer

- Coding
- Digital Literacy

History

Michaelmas

Florence Nightingale
Mary Seacole
Guy Fawkes
Remembrance Day

Lent

Great Fire of London
Plague

Summer

Seaside holidays in the past
Knights and Castles

Music

Michaelmas

Introducing Rhythm – African Drumming
Junior Concert
Christingle

Lent:

Exploring Pitch
Junior Variety

Summer:

What's the Score
Instruments of the Orchestra

TPR

Michaelmas

Old testament stories
Christmas Story

Lent

Miracles and Parable
Easter Story

Summer

Places of Worship

English

Michaelmas

Individual guided reading
Narrative text
Poetry
Punctuation
Phonics programme
Cursive handwriting

Lent

Individual guided reading
Information texts
Poetry
Comprehension
Parts of speech
Phonics programme
Cursive handwriting

Summer

Individual guided reading
Story writing
Instruction writing
Poems using alliteration and similes
Comprehension
Phonics programme
Cursive handwriting

Science

Michaelmas

Our Bodies
Healthy Eating

Lent

Solar System
Electricity + Variation

Summer

Plants, Animals and their habitats

French

French vocabulary with the correct spelling and pronunciation

Art

Michaelmas

Portraiture Ceramics

Lent

Mixed media skills
Fire of London

Summer

Symmetry
Mixed media Butterfly Composition

PE and Sport

Autumn

Basketball, Table Tennis, Badminton, Gymnastics, Football

Spring

Hand-eye co-ordination, Striking and Fielding, Rugby

Summer

Athletics, Tennis, Swimming, Cricket

PSHE

Refer to the separate document for more information

Year 3 Curriculum Map

English

Michaelmas

- Creative writing including adventure stories and acrostic poetry.
- Grammar including punctuation, nouns, adjectives, verbs and adverbs.
- Comprehension with focus on writing in full sentences and inference.

Lent

- Creative writing including characterisation and setting, haiku poetry and persuasive writing.
- Grammar including alliteration and similes
- Comprehension with focus on inference and prediction.

Summer

- Creative writing diary entry, story writing, letter writing, book reviews.
- Grammar including homophones and metaphors
- Comprehension with focus on expressing opinions.

Geography

Michaelmas:

The British Isles, map skills including co-ordinates and grid references. Birds eye views.

Lent:

Coral Reefs
China

Summer:

Weather and Climate
The geography of sport

History

Michaelmas - Egyptians

Lent- Victorians

Summer – World War 2

Computing

Michaelmas-

Touch Typing
Coding

Lent -

Digital Literacy
Microsoft Mastery

Summer:

Stop motion creations

TPR

Michaelmas:

- The New Testament – parables
- Christmas

Lent::

- The New Testament – parables
- Build up to Easter

Summer:

- The Holy Week continued
- The Church
- Introduction to Philosophy

Science

Michaelmas

- Light and shadows
- Teeth and eating & Parts of the body

Lent

- Characteristics of materials
- Magnets and springs

Summer

- Helping plants grow and plant reproduction
- Rocks and soils

Drama

Michaelmas: Stories shared across the world

Spring: Exploring Greek Myths

Summer: Exploring Characters

DT

Michaelmas

Pencil Toppers
Clock Boxes

Lent

Wacky Masks
Lego challenge

Summer

Design and make a Puppet Show

Music

Michaelmas:

Junior Concert
Ukulele
Reading Rhythm

Lent

Ukulele
Junior Variety

Summer

Part Singing
Rounds and Ostinatos

Mathematics

Michaelmas

- Place Value
- + - x /
- Shape

Lent

- Fractions and decimals
- Time
- Money

Summer

- Measures
- Graphs
- Revision

Art

Michaelmas

- Colour Wheel
- Pattern
- Mixed Media Composition

Lent

- Tonal skills
- Landscapes

Summer

- Fantasy Animal
- Drawing
- Pattern
- Watercolour

French

Michaelmas

Greetings, French alphabet and phonics, Numbers 0-60, My House, Colours, Christmas.

Lent

Clothes, School, Family members and physical description.

Summer

Countries, Transport, Numbers 60-100, Weather, Where You Live, Places in Town

PSHE

Refer to the separate document for more information

PE and Sport

Michaelmas

Basketball, Table Tennis, Badminton, Gymnastics, Football

Lent

Hand-Eye Co-ordination, Striking and Fielding, Rugby

Summer

Athletics, Tennis, Swimming, Cricket

English

Michaelmas

- Creative writing inc. newspaper articles, play scripts, letters, storyboards
- Grammar including nouns, verbs, adjectives, adverbs, syllables/prefixes and suffixes/ tenses
- Class Reader

Lent

- Note taking, summarising, points of views book reviews. Nonsense poetry
- Grammar inc. apostrophes, editing and proof reading
- **Class Reader**

Summer

- Creative writing, picture starters, story continuations, sayings and proverbs
- Grammar inc. synonyms, antonyms contractions editing.
- Class Reader

Geography

Michaelmas:
Global Location; continents, countries, capital cities.

Lent:
The geography of chocolate incorporating Fairtrade

Summer
The Environment; fossil fuels, renewable energy, recycling and plastic in the oceans

History

Michaelmas

- The Romans

Lent

- The Anglo-Saxons

Summer

- The Tudors

Computing

Michaelmas
Digital Literacy
Coding

Lent
Lego Creations Coding

Summer:
Touch Typing
iMovie Projects

TPR

Michaelmas

- The Bible
- The Old Testament

Lent

- Philosophy

Summer

- The Big Six (Christianity, Islam, Buddhism, Hinduism, Sikhism, Judaism)

Science

Michaelmas

- Moving, growing and circulation
- Friction

Lent

- Insulation
- Changes in state and separation

Summer

- Habitats and variation
- Electrical circuits

Music

Michaelmas
Junior Concert
Recorder
Staff Notation

Lent
Junior Variety
Recorder
Staff Notation

Summer
Children's Songs and Clapping Games

DT

Michaelmas
Design and make boats
Key Fobs design and make

Lent
Mini Pneumatic rockets

Summer
Design and make Pneumatic rocket cars

Mathematics

Michaelmas

- Addition, subtraction, multiplication and division
- Money
- Rounding and estimation
- Fractions, decimals and percentages

Lent

- Measurement; length & weight
- Area and perimeter
- Problem solving/word problems

Summer

- Time; analogue, digital and 24 hour
- Volume
- Line symmetry
- Data handling/graph work

Drama

Michaelmas: Melodrama

Lent Naturalistic Acting

Summer: Divising Project

Art

Michaelmas
Watercolour technique,
Printing Firework composition
Trees

Lent
Ceramic tile

Summer
Vikings
Egyptians
Drawing Skills

French

Michaelmas
Classroom language, Numbers counting in 10's, Family, Pets, Adjectives, Hobbies, Christmas

Lent
Jobs, Places of Work, My Home

Summer
Food and Drink, Animals, Time

PE and Sport

Michaelmas
Basketball, Table Tennis, Badminton, Gymnastics, Football

Lent
Hand-Eye Co-ordination, Striking and Fielding, Rugby

Summer
Athletics, Tennis, Swimming, Cricket

PSHE

Refer to the separate document for more information

English

Michaelmas

- Prose
 - Text- War Horse
- Comprehension: 11+ Past Papers
- Analysis of different styles of writing

- Imaginative writing and non-fiction

- Poetry study:
 - Poetic techniques
 - Approaching a poem

Lent

- Exploring Poetry
 - How to analyse an unseen poem
 - Poetic techniques and different poetic forms.

Summer

- Drama- Shakespeare in context
- Exam preparation

Science

Michaelmas

- Keeping Healthy
- Gases Around Us

Lent

- Earth, Sun and Moon
- Changing State

Summer

- Life Cycles
- Changing Sounds

Art

Michaelmas

- Sugar Skulls
- Bonfire Composition
- Remembrance Composition
- Aztec Project

Lent

- Matisse Composition-mixed media
- Papier-mâché

Summer

- Drawing skills
- Painted Still Life

Geography

Michaelmas:

Maps – continents, countries, capitals and physical features

Lent:

Earthquakes, plate tectonics and volcanoes

Summer:

Glaciation

History

Michaelmas – Ancient Greece

Lent – Ancient Greece (until half-term)
The Aztecs

Summer – The Aztecs

Computing

Michaelmas

Code Combat
Typing Club

Lent

Microbits

Summer:

Independent Research Projects
Digital Literacy

TPR

Michaelmas 1: Bible codebreaking and the stories of Genesis

Michaelmas 2: The stories of Exodus and the Ten Commandments

Lent 1: Jewish beliefs and teachings

Lent 2: Jewish practices and ceremonies

Summer 1: An introduction to Philosophy

Summer 2: Philosophy and ethics: right and wrong

Mathematics

Michaelmas Term

- Number- *Addition, Subtraction, Division and Multiplication*
- Decimals
- Fractions
- Number Patterns

Lent

- Number- *Multiples, Factors and Primes*
- Algebra
- Perimeter, Area and Volume

Summer

- Angles
- Handling Data
- Number- *Negative numbers*
- Probability

Latin/Classics

Michaelmas: Introduction to Classical culture, Roman numerals, fundamentals of the language

Lent

Introduction to vocabulary learning, first conjugation verbs
Latin nouns

Summer

Subject and Object, English derivations of Latin words

Year 5 Curriculum Map

PSHE

Refer to the separate document for more information

DT

Michaelmas

- Wooden maze game design and make task
- Lent**
- Jitterbug design and make task
- Summer**
- Complete Jitterbug and create wooden toys.

Non Verbal Reasoning

Michaelmas

- Recognise and Associate
- Extending a Pattern

Lent

- Finding a Code
- 2D Shapes

Summer

- 3D Shapes

PE

Michaelmas

- Basketball, Table Tennis, Badminton, Gymnastics, Football

Lent

- Hand-Eye co-ordination, Striking and Fielding, Rugby

Summer

- Athletics, Tennis, Swimming, Cricket

English

Michaelmas

Prose
Text- Wonder, by R.J Palacio
Comprehension: 11+ Past Papers
Analysis of different styles of writing
Imaginative writing and non-fiction
Poetry study:
Poetic techniques
Approaching a poem

Lent

Exploring Poetry
How to analyse an unseen poem
Poetic techniques and different poetic forms.

Summer

Drama- Shakespeare in context
Exam preparation

TPR

Michaelmas

Islam: beliefs and teachings
Islam: practices and ceremonies

Lent

Philosophy: The Island
Rules
Punishments and the aims of punishments
Environmental ethics
Ethical dilemmas in societies

Summer

New Testament Theology: Human Responses to God.

Art

Drawing and Painting Skills
Work related to a culture
Ceramic

Geography

Michaelmas

- Africa
- Antarctica
- Global Location

Lent

- Biomes
- Climate Change
- Global Location

Summer

- OS Maps and Map Skills
- Global Location

Science

Michaelmas

- Interdependence and adaptation (B)
- Changing circuits (P)
- More about dissolving (C)
- How we see things (P)
- Variation and Classification (B)
- Simple chemical reactions (C)

Lent

- Micro-organisms (B)
- Acids and alkalis (C)
- Separating techniques 2 (C)
- Reversible and irreversible changes (c)

Summer

- The Solar System and beyond (P)
- Sound and hearing (P)
- Forces in action (P)
- Plants and photosynthesis (B)

Non-Verbal Reasoning

Michaelmas only: Preparation for the ISEB Common Pre-Tests practising logic, critical thinking and problem-solving skills using figures and diagrams.

PSHE

Refer to the separate document for more information

Year 6 Curriculum Map

History

Michaelmas:

- Norman conquest
- Crusades

Lent

- Edward I
- Castles
- Medieval People

Summer:

- Black Death
- Medieval Dangers
- Water and Sanitation through time

Computing

Michaelmas

Typing Kings
Digital Literacy

Spring

Microbit Creations

Summer

Code Combat
Spreadsheet Wizards

Music

Michaelmas

Introduction to tuned percussion
Triads and primary chords
Class compositions and improvisation

Lent

Year 6 Production

Summer

Year 6 Production
History of Western Classical Music

DT

Michaelmas

Intro to 2D CAD and CAD/CAM

Lent

Electronic steady hand game design and make.

Summer

Complete Steady hand game cont.
Wooden toys design and make.

PE and Sport

Michaelmas

- Basketball, Table Tennis, Badminton, Gymnastics, Football

Lent

- Hand-Eye Co-ordination, Striking and Fielding, Rugby

Summer

- Athletics, Tennis, Swimming, Cricket

Latin / Classics

Michaelmas

- Revision of first conjugation verbs and subject and object, Twelve Labours of Hercules

Spring

- Second conjugation, first declension nouns, Odysseus

Summer

- Imperfect Tense, the verb "to be" in the Present and Imperfect, vocabulary building including Task Magic. Continuing Adventures of Odysseus

Mathematics

- Arithmetic - revisit and extension
- Algebra
- Fractions, mixed numbers and equivalence
- Problem solving
- Negative numbers in arithmetic
- Percentage
- Angles, angle rules and protractor use
- Transformations
- Probability
- Perimeter, area and volume
- Data handling – pie charts, line and bar graphs
- Mean, median, mode and range
- Ratio and sharing
- Indices, prime factors

French

Michaelmas

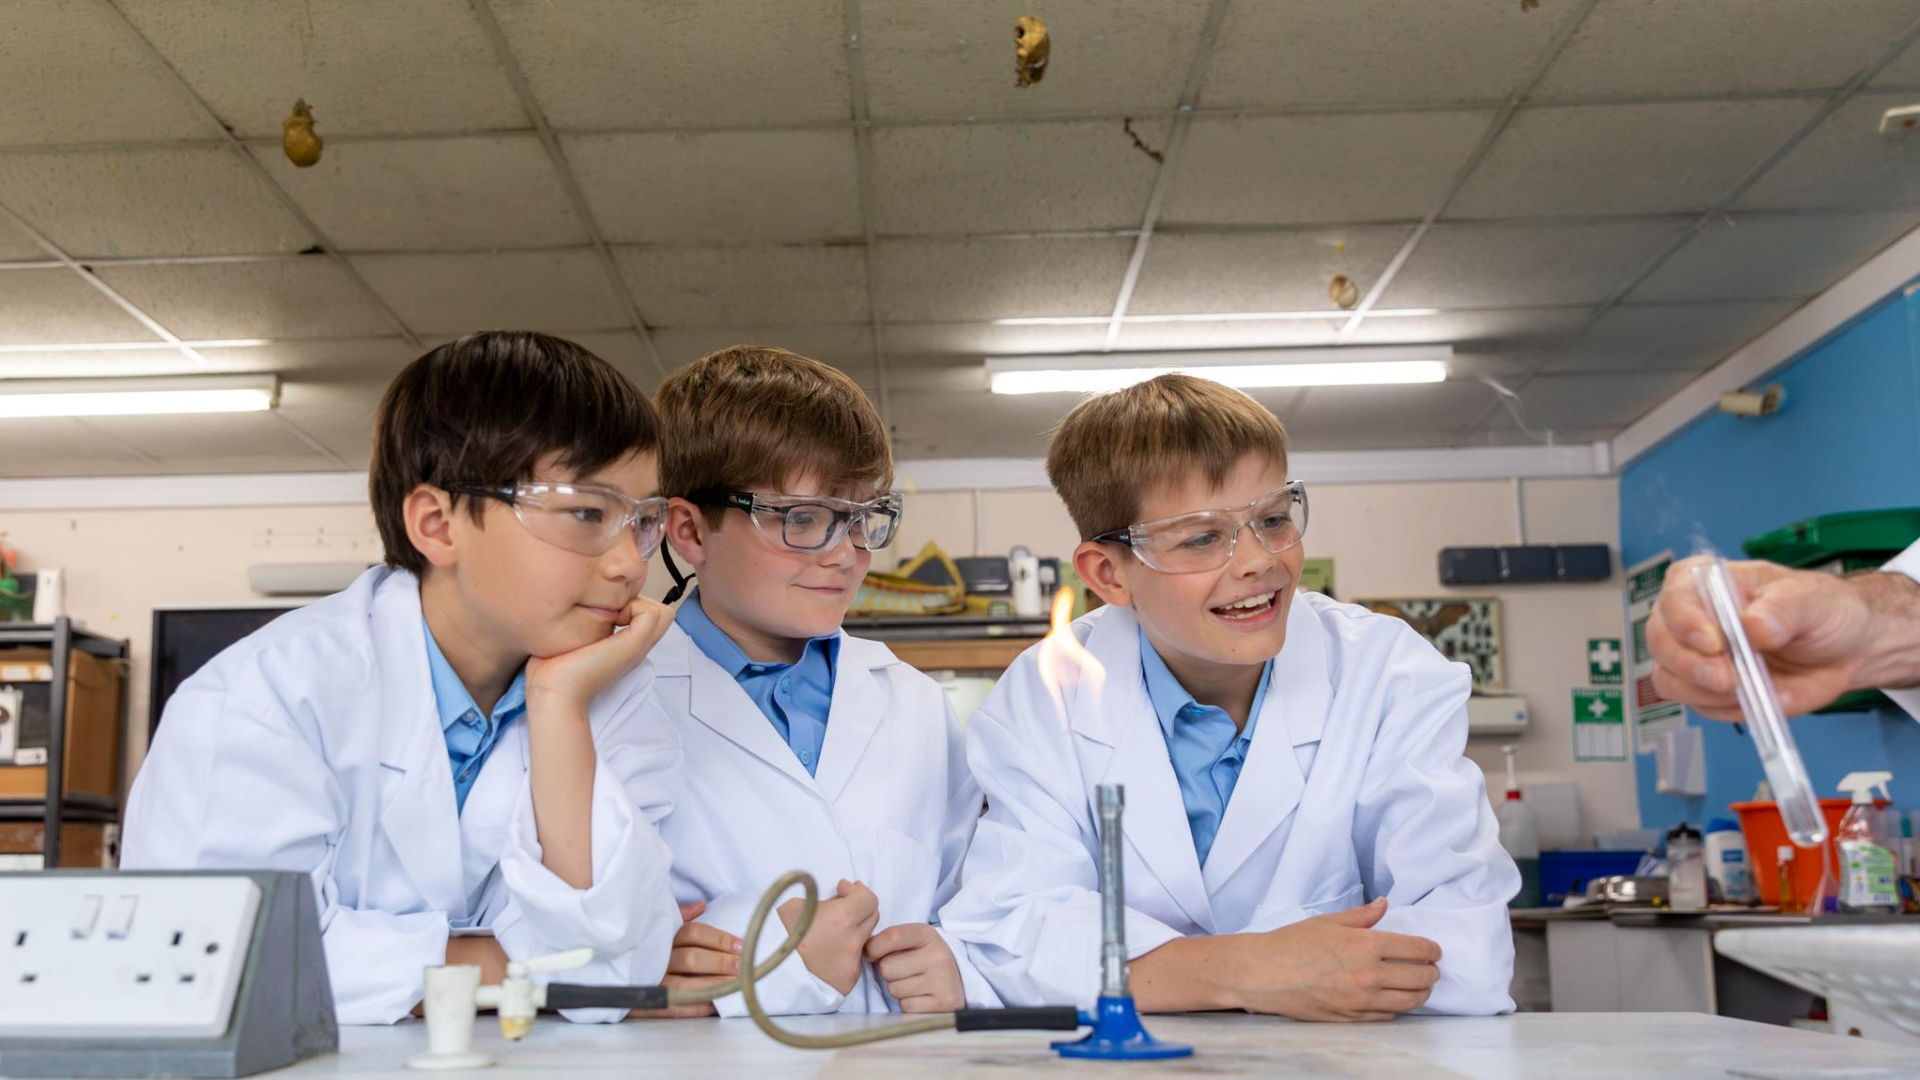

- Activities at home, family members, school subjects, school items, Personal description and daily routine

Lent

- Household objects, Free times (ball and non-ball sports), Body parts, At the Doctor

Summer

- The weather, Places in town, Directions, Telling the time, Cross-Curricular

English

Michaelmas

Prose: Dystopian fiction
 Comprehension: 13+ Past Papers
 Analysis of different styles of writing
 Extended answers
 Imaginative writing and non-fiction
 Poetry study
 Poetic techniques
 Approaching a poem

Lent

Exploring Poetry
 How to analyse an unseen poem
 Poetic techniques and different poetic forms.

Summer

Drama- An Inspector Calls
 Exam preparation

Geography

Michaelmas

- Tectonics (Earthquakes and volcanoes)
- Global Location

Lent

- Geomorphology (Rivers and Coasts)
- Global Location

Summer

- Fieldwork enquiry and skills
- Environmental Issues (Sustainability and Stewardship)
- Global Location

PSHE

Refer to the separate document for more information

Year 7 Curriculum Map

Computing

Michaelmas

Digital Literacy
 3D Design

Lent

Ozaria

Summer

Coding Olympics

Latin

Michaelmas

- Revision of first and second conjugation verbs in the present and imperfect tenses, skills for English into Latin sentence writing. Roman myths and history.

Lent

- Second declension nouns and 2-1-2 adjectives, The Trojan War (1)

Summer

- Principal Parts of verbs, perfect and future tenses of verbs. Trojan War (2)

Music

Michaelmas

Composition – Introduction to Logic,
 Black note Project Improvisation Project

Lent

Arrangement – Inputting techniques
 Pachelbel's Canon

Summer

Introduction to Foley and film

Mathematics

- Arithmetic - revisit and extension
- BIDMAS
- Fractions, mixed numbers and equivalence
- Solving linear equations
- Percentage calculations including percentage increase and decrease
- Properties of quadrilaterals
- Symmetry of shapes
- Estimation and rounding to 1 and 2 decimal places and 1 significant figure
- Equivalence of fractions, decimals and percentage
- Frequency tables
- Angles and parallel line rules
- More complex algebra
- Circles – circumference and area
- Number sequences
- Data Handling – revisit pie charts, line and bar graphs
- Comparison of metric and common Imperial measurements
- Revisit transformations
- Probability
- Simple linear graphs and $y = mx + c$
- Ratios and sharing problems
- Draw and recognise simple nets

Science

Michaelmas term:

Interdependence and adaptation (B)
 Changing circuits (P)
 More about dissolving (C)
 How we see things (P)
 Simple chemical reactions (C)
 Variation and Classification (B)
 Investigative Work
 Human Reproduction (B)

Lent term:

Micro-organisms (B)
 Acids and alkalis (C)
 Separating techniques 2 (C)
 Reversible and irreversible changes (C)
 Pressure (P)

Summer term:

Plants and photosynthesis (B)
 The Solar System and beyond (P)
 Sound and hearing (P)
 Forces in action (P)
 Electromagnets

French

Michaelmas

- House/home, Chores, Daily Routine, School Life and activities

Lent

- Body parts and illnesses, Modern world viewing habits, Jobs, Transport

Summer

- Telling the time, Countries and nationalities, Personal description, Lifestyle

TPR

Michaelmas

Old Testament Theology:
 Human responses to God.

Lent

Philosophy: Plato
 Philosophy: Hume

Summer

Philosophy: Mill
 Philosophy: King

History

Michaelmas

- Leonardo da Vinci
- The Renaissance
- Voyages of Exploration

Lent

- Reformation
- The Ambassadors by Holbein
- Henry VIII

Summer

- Elizabeth I
- Covil War
- Mughal Emperors

Art

Michaelmas: Drawing Skills Abstract painting

Lent: Drawing Skills and Painted composition

Summer: Drawing Skills

DT

Michaelmas

Design and make a quartz clock

Lent

- **(Rotation – some boys only get one term, some get two).**

Summer

- If clock is completed the boys can design and make an artefact of their choosing.

PE

Michaelmas

- Basketball, Table Tennis, Badminton, Gymnastics, Football

Lent

- Hand-Eye Co-ordination, Striking and Fielding, Rugby

Summer

- Athletics, Tennis, Swimming, Cricket

English

Michaelmas

Prose- The Gothic Genre
Comprehension: 13+ Past Papers
Analysis of different styles of writing
Extended answers
Imaginative Writing and non-fiction
Poetry study:
Poetic techniques
Approaching a poem

Lent

Poetry
How to analyse an unseen poem
Poetic techniques and different poetic forms.

Summer

Drama
Exam preparation

TPR

Michaelmas

- Old Testament Theology
- New Testament Theology

Lent

- Islam: beliefs and teachings
- Philosophy: Great thinkers and their ideas

Summer

- Revision and exam preparation

French

Michaelmas

House/home, Chores/Pocket money, Winter and summer sports, Shopping habits

Lent. School life, Daily routine, Future plans, Jobs

Summer

CE exam Revision and Past papers

Geography

Michaelmas

- Demography (Population and Settlement)
- Weather and Climate

Lent

- Economy (Transport and Industry)

Summer

- Revisit fieldwork enquiry skills
- Map Skills revisited
- Revision and exams

Science

Michaelmas term:

Plants and Photosynthesis (B)
Plants for food (B)
Respiration (B)
Pressure Density, Moments (P)
Reactions of metals (C)
Patterns of reactivity (C)
Energy and electricity (P)
Using Chemistry (C)
Environmental Chemistry (C)
Atoms/Elements/Compounds/Periodic Table ©

Lent term:

Food and Digestion (B)
Inheritance and selection (B)
Fit and Healthy (B)
Ecological relationships (B)
Springs- Hooke's Law (C)
Heating and Cooling (P)

Summer term:

Past papers and revision

PSHE

Refer to the separate document for more information

Year 8 Curriculum Map

History

Michaelmas

- Industrial Revolution and the Cotton Industry
- Public Health
- Dealing with evidence
- Essay Questions

Lent

- Britain 1750-1914
- CE evidence questions

Summer

- Experiences of War
- Past papers and revision

Computing

Michaelmas

Website Creation
Text Based Adventure Games

Spring

Plotagon – 3D Storytelling
Digital Literacy

Summer

Ozaria

Music

Michaelmas

Live recording – children's audio book project

Lent

C20th Music – Composing for film and TV

Summer

African Drumming
World Music

DT

One term for CE boys only. Top set cannot take D&T in a lesson.

Design and make – Bluetooth amplifier and casing task.

Art

Michaelmas

- Drawing Skills
- Ceramics

Lent

- Drawing Skills
- Ceramics

Summer

- Drawing Skills
- Ceramics

Latin

Michaelmas

- Third declensions nouns, pronouns, comparison of adjectives, pluperfect tense.
Roman mythology and daily life

Spring

- Introduction to Common Entrance style of questioning, intensive vocabulary revision including use of Memorise. Ovid's Metamorphoses

Summer

- Past Common Entrance papers

PE

Michaelmas

- Basketball, Table Tennis, Badminton, Gymnastics, Football

Lent

- Hand-Eye Co-ordination, Striking and Fielding, Rugby

Summer

- Athletics, Tennis, Swimming, Cricket

Mathematics

- Arithmetic - revisit and extension
- Fractions, mixed numbers and equivalence
- Estimate numbers to 1, 2 and 3 significant figures and calculations using significant figures
- Ratios and sharing
- Linear graphs and $y = mx + c$
- Scale and bearing
- Speed calculations
- Scatter diagrams, line of best fit and interpretations
- Polygon problems
- Enlargements
- Probability
- Sequences and nth term
- Areas of composite shapes

Additional Paper

- Arithmetic - revisit and extension
- Pythagoras' Theorem and problems
- Inequalities
- Simultaneous equations
- Volume of prisms and cones
- Trial and Improvement

English

Michaelmas

- Prose- The Gothic Genre
- Text- 'Frankenstein'
- Comprehension: Scholarship past papers
- Analysis of different styles of writing
- Extended answers
- Imaginative writing and non fiction
- Poetry study
- Poetic techniques

Lent

- Poetry
- How to analyse an unseen poem
- Poetic techniques and different poetic forms.

Summer

- Drama
- Exam preparation

PSHE

Refer to the separate document for more information

PE

Michaelmas

- Basketball, Table Tennis, Badminton, Gymnastics, Football

Lent

- Hand-Eye Co-ordination, Striking and Fielding, Rugby

Summer

- Athletics, Tennis, Swimming, Cricket

Geography

Michaelmas

- Demography (Population and Settlement)
- Weather and Climate

Lent

- Economy (Transport and Industry)

Summer

- Exam practice and past papers
- Revision and exams
- Stop motion animations

Science

Michaelmas term: CE

Plants and Photosynthesis (B)
Plants for Food
Respiration (B)
Reaction of Metals (C)
Patterns of Reactivity (C)
Energy and Electricity (P)
Using Chemistry (C)
Environmental Chemistry (C)
Pressure, Density, Moments (P)
Heating and Cooling (P)

Lent term:

Food and Digestion (B)
Fit and Healthy (B)
Ecological Relationships (B)
Inheritance and Selection (B)
Springs and Hooke's Law (P)

Summer term:

Revision

Computing

Michaelmas

Website Creation
